Right to left:

Pak Sutarjan, siter barung (from Ngawi, E. Java)
Pak Mijo, kendhang (from Ngawi)
Mbak Tamini, sindhenan (from Ngawi)
Sutarjan's wife Bu Tegurahayu, sindhenan (from Semarang).

Tarjan & Tegu's two-year-old daughter Sriyanti was amusing herself (sitting on Mijo's lap in this photo). Tarjan used finger picks.

I found them around 10pm; they had been there about an hour, and stayed another 45 minutes or so with me. They had been playing around this area and would now go home.
